TUBE PUNCHING

TUBE PUNCHING COMPONENTS TO FIT OUR COMPETITORS TP-2" UNIT

NEW WAYS TO ORDER TUBE PUNCHING UNITS

The TP-1 1/4 and the TP-2 3/8 units can be ordered for punching rectangle tubing. There is no additional charge for ordering the unit for rectangle tubing. The prices are the same as the 17300 or 17302 Square Tubing Units. Lead time is 2-3 weeks and the following information is needed to place an order:

- Outside Dimensions of Rectangle Tube
- Hole Diameter
- Wall Thickness
- Type of Material

UniPunch now has crossover tooling to fit the Unittool TP-2" unit. The components are different enough that they required a drawing number. When ordering, please reference UniPunch dwg 71133 and specify the tube size.

Lead time is 2-3 weeks for the following components. Call the UniPunch sales team for *knock 'em dead* pricing!

- Punch
- Die
- Guide
- Stripper Spring
- Lifter Spring
